### DON'T BE ANXIOUS

One can wonder how Luke's Gospel passage today might have been different if Mary, not Martha, had been the one to complain to Jesus, if Mary had said "Lord, look at her! Here you are sharing your wisdom and all she can think about is supper." Jesus may have noted, as Luke does, that Martha was burdened with much serving. Later in his writings, this same evangelist will describe in Acts how the early community set aside people whose ministry it is to see to the serving at table.

As a fully human person, Jesus knew the human needs that had to be tended. He doesn't deny this, nor does he chastise Martha for her working in service. He chides her for being anxious and worried. How can Martha—or any of us—be anxious or worried about the serving that needs to be done when we do it in the context of the Lord's will and wisdom? The Church has done more than any other institution to bear the heavy burdens of serving the ill, the uneducated, the suffering; has been "Martha" to countless of the little ones whom Christ told us were his very presence. But the Church has borne the burdens of service from the position of Mary: at the feet of the Lord, listening to and being guided by his word. © *Copyright, J. S. Paluch Co.*

**A CHANGE OF PLANS!**

The Ladies of Charity **WILL** pray the rosary on Wednesday, July 28 at 6:30 pm, in the church. Everyone is welcome and we hope you can join us for this wonderfully short prayer. There will be **NO** recitation of the rosary in church during the month of August, but please feel free to pray it at home, on the beach, or in the car. We will resume our normal schedule in September. Hope to see you there!

**NATURAL FAMILY PLANNING**

Natural Family Planning (NFP) is the term that indicates methods of achieving or avoiding pregnancy that are in line with the teaching of the Catholic Church. Unlike the “Calendar Rhythm Method” of birth control, modern NFP methods are highly reliable, cost effective, and have no harmful chemical or medical side effects. They can be used at any stage of a couple’s reproductive health: regular cycles, breastfeeding, pre-menopausal, irregular cycles, post pill, etc. For more information and a schedule of classes available in our area, visit the diocesan web page found at [www.diopitt.org/education/nfp.htm](http://www.diopitt.org/education/nfp.htm) or call 412.456.3160.

This Fall, St. Patrick will again begin a Period of Inquiry. During this period, teaching is given to people who are interested in learning more about the Catholic faith. These sessions cover basic information about the faith and fundamentally should communicate the Gospel of Jesus Christ. There is no obligation involved in attending these meetings, they are intended to help a person decide whether they want to continue learning about the faith.
